To the Governors of the Evesham Hospital.

The Committee have pleasure in presenting the sixty-third Annual Report for the year ending December 31st, 1942.

The Report is still issued in abridged form, but contains particulars of the principal activities of the Hospital during the period.

HOSPITAL WORK DURING THE YEAR

The Hospital has been fully employed in all Departments, and the work entailed has been exceedingly heavy. It was anticipated that demands for its services would be excessive, and this has been borne out by the admission of 976 in-patients, against 947 last year. This constitutes a record, since the Hospital was founded. Of this number 441 were members of the 'Contributory Scheme, an increase of 11 over 1941. Out-patients numbered 780. Massage and Electrical treatments were 4,854, an increase of 372 over previous year. Sunlight treatment has been provided; the number of treatments being included in the foregoing figure. In-patients' stay-days of 16.6/7, is slightly higher but still below previous average. Increased demands have been made on the X-ray section. Five Probationer Nurses were entered for the Preliminary State Examination, all of whom were successful. The increased work as shown by the above details could not have been accomplished, but for the valued voluntary aid of the Evesham, Badsey and Broadway Red Cross Detachments, St. John Nursing and Ambulance Divisions, and the assistance given by many ladies who have devoted their services and time in helping to meet the daily obligations of the Institution.

FINANCE

As shown by the Accounts, the total income from all sources amounted to £13,338 11s. 2d., compared with £10,454 13s. 10d., in 1941. The increase is accounted for by the Ministry of Health grant of £3,550 10s. 3d. for services provided under the Emergency Medical Scheme. The amount received covers 1942, but includes payments made retrospectively for 1940 and 1941. It is anticipated that the Grant for 1943 will be considerably less. Patients' payments £6,739 8s. 7d. against £6,521 12s. 11d. Asparagus Association £359 15s. 6d. Subscriptions £524 5s. 6d. Donations £348 19s. 4d. Alexandra Day collection £337 19s. 8d. Expenditure of £10,331, is £897 in excess of previous year. This is mainly attributable to increases in Salaries and Wages. Credit has been taken in respect to £115 5s. 10d. received under arrangements made with the Ministry of Health and British Hospitals Association. It will

be noted that an extraordinary expenditure of £1,700 is shown as cost of purchase of 3 per cent. Savings Bonds. This is to partly replace the £3,000 of Conversion Stock sold in 1940, to reduce the then overdraft on General Account.

CONTRIBUTORY SCHEME

Contributions amounted to £2,584, an increase of £134. Membership is now 4,820, an addition of 170. During the year 441 members received in-patient treatment. Several Members were sent to other Institutions for special treatment, at a cost to the Scheme of £168. The Collectors have again done valuable work, for which the Committee are very grateful.

HOSPITAL GALA

The Gala Association Committee issued a special appeal to form a Memorial to the late Mr. C. N. Mason, which resulted in the splendid net sum of £1,587 7s. being raised. In conjunction with the Gala Committee, the Committee of the Hospital have agreed that the Memorial take the form of an extension to the Children's Ward, and so mark for all time the exceptional services rendered to the Hospital by the late Mr. Mason over a period of many years. Contracts for the work involved by this extension will be entered into after the War. Meanwhile, the monies received will be invested on Special Account, to which interest will be credited as received.

ALEXANDRA DAY COLLECTION

The net sum received as the result of this Collection amounted to £337 19s. 8d. Thanks are extended to the Organisers and Collectors for carrying out the work involved.

GENERAL THANKS

The Committee wish to thank all who, either by personal service or by subscriptions, donations and other gifts, have contributed to the maintenance and successful working of the Hospital. During the year Growers and Merchants in the district have regularly supplied the Hospital with Fruit and Vegetables, and the Committee are very grateful for this practical help.

AUDIT

Mr. W. B. Dix, of Messrs. Kingscott, Dix and Co., has audited accounts, free of charge. The work entailed has been heavy, and the Committee wish to tender to Mr. Dix their appreciation of his valued services.

COMMITTEE

Retiring Members are Mr. R. Aldington and Mr. C. Fowler, both of whom offer themselves for re-election. In addition there are two casual vacancies.
